QClick

QOMO HiteVision

Audience Response for Businesses

Easy Preparation - Engaging Surveys - Instant Results

Interactive Presentations

Use QClick to conduct:

- **training sessions**
- **surveys**
- **brainstorming sessions**
- **focus groups**
- **seminars**

Presentations become interactive experiences. Audience input gives the presenter the means to **transform the presentation** on the spot, to fit the audience s responses, level of understanding & interest.

Quick Assessment

Generate results instantly, **after each question**, as well as detailed individual & group reports **after quizzing**. Export reports as **PDF**, **Word**, or **Excel** to study, share, and archive your results.

Familiar Interface

With QClick PowerPoint Plug-In, users **don t have to learn a whole new program**, or recreate presentations into a new ARS softwarem. Presenters can re-use old PowerPoint questionaires and surveys.
