With the Neomounts by Newstar PLASMA-M2550TSILVER automatic height adjustable floor stand you place a large format flat screen on the floor. Get optimal positioning for both standing and seated audiences, in any application, in any part of your location. Perfect to use in a class room, boardroom, presentation room or public entrance.

The PLASMA-M2550TSILVER is suited for screens between 42" - 100" and has a load capacity of 150 kg. The trolley is suitable for screens with a VESA hole pattern of 400x200 mm t/m 800x600 mm. Behind the screen is a 6 cm deep space available to mount a media player or mini-computer. Cables can be guided at the back of the mount.

Easily roll this cart over doorways and thresholds with to the high quality wheels. The mobile electric floor lift is automatically tiltable and height adjustable over a height of 28 cm with a remote control. From the floor to the center the distance of the screen is variable from 60 cm to 88 cm.

The Neomounts by Newstar PLASMA-M2550TSILVER comes in a black RAL 9005 color and is a great choice for space saving placement or when wall-, ceiling mounting or desk placement is not an option.

All installation material is included with the product.
