PROJECTORS
PRO8530HDL

Key **Features**

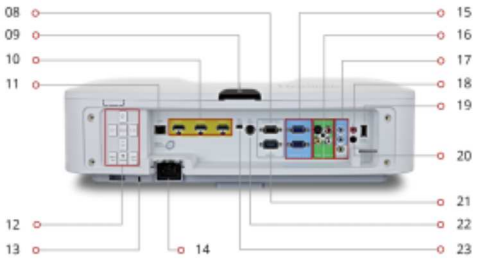

Full HD 1080p resolution | 5,200 lumen brightness | Vertical lens shift with centered lens | Secure MHL/HDMI port, and optional HDBaseT adapter | 4 HDMI ports for flexible connectivity

Product **Description**

Delivering stunning 1080p resolution and 5200 lumens of brightness, the ViewSonic® LightStream® Pro8530HDL is the ideal projector for professional installations, large venues, and business and education environments. With its 1.6x optical zoom, centered lens, vertical lens shift, and HV keystoning, the Pro8530HDL provides extreme flexibility even in the most challenging installations. The Pro8530HDL boasts a sleek top cover design for quick lamp and accessory access, while an intuitive PortAll™ compartment accommodates additional accessories such as an HDBaseT receiver, wireless streaming device, or PC stick. The cable management hood hides unsightly cables, and a 4-in-1 power button serves as a central point for LED notifications. Moreover, four HDMI ports and additional audio and video ports allow for extensive connectivity to handle multiple devices without the need to switch cables. Powered by SuperColor™ technology for amazing images, and SonicExpert™ technology for incredibly clear sound, the Pro8530HDL delivers a professional audiovisual performance.
