QNED TV

Experience the brilliance of color with QNED TV. LG's premium LCD TV brand utilizes new color gamut technology to elevate your viewing experience. With an impressive color reproduction rate of 90~93%, QNED TV transforms blue light into white, expertly absorbing and purifying unnecessary wavelengths. Elevate your viewing experience with QNED TV for stunning visuals and vibrant hues in your favorite content.

Pro:Centric Cloud

Pro:Centric Cloud improves the usability of enterprise's CMS solution and cloudification of system, reinforcing the service of 3rd party solution. It also offer various design templates, improving data collection and analytics platform with an eye-catching dashboard. In addition with new features; LG Channels* provides a convenient way to access wide range of content from CP (Content Provider) channels including broadcast TV channels without additional devices or subscriptions. And Mobile Application Creator lets you simplifies the process of setting up concierge services on mobile device for guests. Through this function, the guest' request will be satisfied with immediate response.

* Currently supports in Germany, Spain, France, Finland, Ireland, Austria, Italy, Switzerland, Portugal and please check with your local sales for other EU countries.

LG Hotel TV works with Google Cast

Enjoy quick access to your personal devices with a convenient QR code on LG Hotel TV for streaming your favorite OTT shows on the big screen, and experience secure checkout with automatic erasure of personal information for peace of mind. Plus, with persisted pairing, connect your devices once and stay linked throughout your entire stay!

* Google Cast is a trademark of Google LLC.

* All images are for illustrative purposes only.

Works with AirPlay

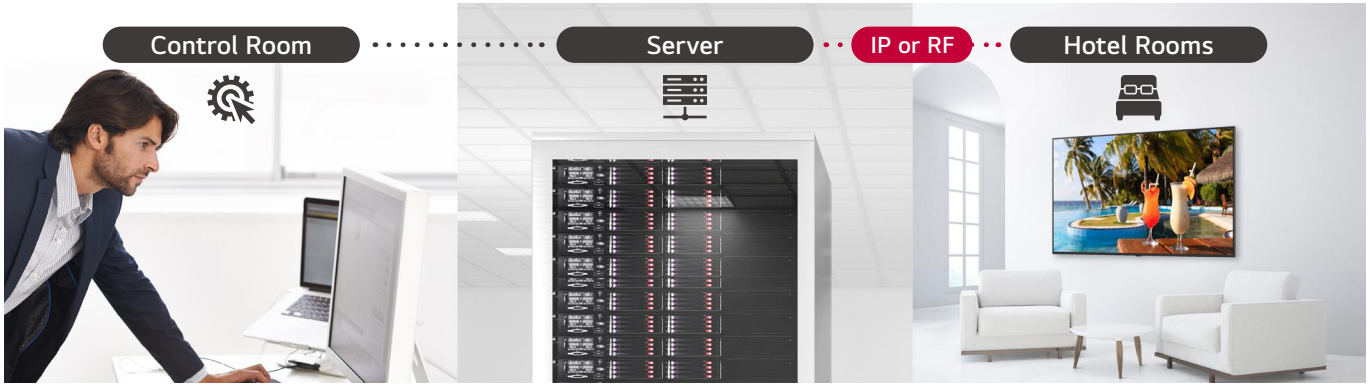

With Apple AirPlay, guests can stream content to LG Pro:Centric Smart Hotel TVs, right from their iPhone or iPad, whether it's to watch movies and shows from their favorite apps or share what's on their Apple devices, including photos, personal videos, games and more. Guests simply scan a unique, on-screen QR code after checking in to privately and securely pair their iPhone or iPad directly to the TV in the room for the duration of their stay.
