

# ClickShare Conference

wireless conferencing

## Make hybrid collaboration flow with one click

ClickShare Conference is the agnostic wireless room system that lets you run better hybrid meetings from your laptop in any meeting space.

Simple, easy, wireless. That's how you run better hybrid meetings from your laptop with ClickShare Conference. Thanks to smart, intuitive meeting flows, it takes you only one click to wirelessly start a video meeting with your preferred UC&C platform. Connect automatically to room cameras, speakerphones, sound bars for better video conferencing in the hybrid workplace.

All ClickShare products are ISO-27001 certified.
